

## Sweet Bones of Mine

By Alan M Reznik MD

*(To be sung to the tune of "Sweet Caroline" by Neil Diamond)*

Where it began  
I can't begin to know it  
But my bones will be growing strong  
Strengthen the knee  
And then relax my shoulders  
Who'd have believed they'd come along

Bones  
Healing bones  
Stretching out  
Mending me  
Feels brand new!

Sweet bones of mine (ba ba bah)  
Surgery did them so good (so good, so good, so good)  
They're cal-ci-fied (ba ba bah)  
Didn't think they ever would  
But now I...

...look at my bike  
And it don't seem so lonely  
Ride it each day at half past two  
Shootin' some hoops  
Using my healthy shoulders  
Ready to swim some laps with you

Bones  
Healing bones  
Stretching out  
Mending me  
Feels brand new!

Sweet bones of mine (ba ba bah)  
Vitamin D is oh so good (so good, so good, so good)  
They're cal-ci-fied (ba ba bah)

Didn't think they ever would  
Oh, no, no

**[please feel free to hum the instrumental part]**

Sweet bones of mine (ba ba bah)  
My joints never felt so good  
Sweet bones of mine (ba ba bah)  
Just like my doc said they would  
Sweet bones of mine...
